Website Listing Form

- **ONLY** businesses that have main offices/home offices in Dare County will be listed. Our site is funded by Dare County taxpayers and our legislation states we can promote Dare County only.
- Businesses listed on outerbanks.org must be a tourism-based business.
- Private Cottages: Only cottages located in Dare County that pay Dare County occupancy tax will be listed. Please provide proof of paid occupancy tax.
- If your cottage is new to the rental program and you have not yet rented it on your own, you must provide us with your Tax ID# before you can be listed on outerbanks.org (as you will not have a paid occupancy tax receipt yet). For more information on how to obtain a Tax ID# call (252) 480-0709.
- Cottages already listed with a rental company (i.e. Sun Realty, Stan White, etc.) will not be listed individually.
